Community and Student Engagement Accountability System (CaSEAS)

House Bill 5 of the 83rd Texas Legislative Session included a local evaluation requirement that is referred to as the School District Evaluation of Performance in Community and Student Engagement/ Compliance.

This report reflects input showcasing areas of excellence and success as well as recognizing areas in need of improvement, allowing schools to set future goals valued in the community. The statute requires each district to evaluate and designate a performance rating for the district and each of its campuses based on criteria set by a local committee (TEC 39.0545).

NEW ADDITION: Community and Student Engagement Ratings as Part of the State Academic Accountability System

HB 2804 has added CaSE ratings to the state academic accountability system. These new requirements established in Texas Education Code (TEC), § 39.0546, where each district and campus must annually choose three CaSE components for this purpose.

- CISD must report to the agency what three CaSE components will be evaluated and what criteria will be used for that evaluation before the beginning of each school year.
- This reporting will take place through the Public Education Information Management System (PEIMS)/ Texas Student Data System (TSDS).
- Each district must evaluate itself on the three selected components and assign a letter grade of A, B, C, D, or F for each and for overall Case performance.
- Each campus must also evaluate itself and assign a letter grade of A, B, C, D, or F for each of the three components and for overall performance. These letter grades will become part of district and campus state academic accountability ratings.

<h1>Modules</h1>	Choose 3 modules that will be evaluated for 17-18 by writing them below. Once you have chosen the modules it may not be changed

District Instructions - Guide for Leaders at CISD

CaSEAS

House Bill 5 of the 83rd Texas Legislative Session included a local evaluation requirement that is referred to as the School District Evaluation of Performance in Community and Student Engagement/ Compliance

This report reflects input showcasing areas of excellence and success as well as recognizing areas in need of improvement, allowing schools to set future goals valued in the community. The statute requires each district to evaluate and designate a performance rating for the district and each of its campuses based on criteria set by a local committee (TEC 39.0545).

The law requires that each district and each campus be assigned a rating of **Exemplary, Recognized, Acceptable** or **Unacceptable** for the following modules:

- **Fine Arts**
- **Wellness and Physical Education**

- **Community and Parental Involvement**
- **21st Century Workforce Development**
- **Second Language Acquisition**
- **Digital Learning Environment**
- **Dropout Prevention Strategies**
- **Educational Programs for Gifted and Talented Students**
- **Compliant with Statutory Reporting and Policy Requirements**

Main points to summarizing the required PEIMS submission:

- Districts are required to assign locally-determined performance ratings and compliance statutes, district wide and all campuses within the district
- Districts are required to post the ratings and compliance statutes for district and each campus, on the school district's website by August 8
- Budgeted (non-instructional) campuses, Disciplinary Alternative Education Program (DAEP), Juvenile Justice Alternative Education Program (JJAEP) and the facilities operated by the TEXAS Juvenile Justice Department are excluded
- The statutory reporting and policy compliance code (C088) must be either a "0" or "1" and may not be left blank
- **The submissions must be made through PEIMS as there are no alternative data collection systems in place.**
- TEA is required to report the local performance ratings and compliance statutes on the TEA website no later than Oct. 1

Measuring Performance

- The law does not purposefully specify any methods of assessing performance. The intent of the legislative laws is to empower each district with the flexibility to define the methods and criteria of evaluation for each module.
- Canutillo ISD created a committee to address each module by leading the development of measurement.
- The committee members have experience related to each of the performance area. Principals from all campuses provided input on content and methods of measurement.
- The committee explored on measurement methods to identify the key concepts that were most important to the discussion.
- These key concepts were refined and used in a structured self-diagnostic format that was common across all areas.
- The self-diagnostic rubric described is a continuum across a 3-point scale; Classifying as: (3) Fully in Place, (2) Partially in Place, (1) Under-development and (0) Unacceptable.

Figure 1- Example of measurement illustrating the development levels of practice

Exemplary	Recognized	Acceptable	Unacceptable
Consistently: Uniformly, Seen from beginning to end, Highly Predictable, Seamless routines, Evidence of Most often to all	Typically: Completes half way, Omission of some components, Evidence of some	Occasionally: Sporadic, Random, Hardly ever, Moderately, Seldom, Evidence of few	Rarely: Practically nonexistent, Not Attempted, Never, Evidence of very little to none
3 points	2 points	1 point	0 points

The committee developed 5 sections within each module to describe the levels of practice as listed below:

Sections	Abbreviation
Student Assessment	SA
Service Design	SD
Curriculum and Instruction	C&I
Professional Development	PD
Family and Community Involvement	FCI

Drafts of various rubrics were submitted to all campus leaders and reviewed during a leadership meeting. Campus leaders were assigned to school level groups to review, vote and comment on the documents. Those documents were taken by the committee to create the final version of the rubric.

Examination for improvement

The intention of using this self-diagnostic approach is to encourage focused conversations between staff, campus leadership, and community members that lead to continuous improvement. The school principal will identify a team to assess all modules. The team will be comprised of staff whose duties are directly related to the factor, and where possible a community member (DAC). The teams may ask for feedback from staff, parents and community members which may be taken into consideration when discussing evidence and other data resources being considered.

Each member of the team may complete the self-diagnostic rubric, and meet to discuss the evidence. After the team has reach a consensus regarding the level of practice for each module, the team will finalize the scores. However, as a district, we may have the option on evaluating all campus results by arriving at a consensus for district level ratings. **The objective is to improve professional practice through evidence supported by discussion and action which is the foundation for communicating with the community.**

The type of data may be qualitative or quantitative. Ideally, there are several sources that can be used to make a decision. Documenting and retaining the evidence will be useful and should provide reference information for improving practices in the future.

Leadership

Leaders will review and collaborate the results of the diagnostic process with their teams indicate the areas of accomplishment and areas of needed improvements, which will be shared with employees and community.

Determining Ratings

Max points for each module are as follows:

MODULES – DISTRICT	MAX POINTS	# SECTIONS
Fine Arts	48	16
Wellness and Physical Education	84	28
Community and Parental Involvement	74	24
21st Century Workforce Development	72	24
Second Language Acquisition	51	17
Digital Learning Environment	66	22
Dropout Prevention Strategies	75	25
Educational Programs for Gifted and Talented Students	33	11
Compliant with Statutory Reporting and Policy Requirements	60	20
TOTAL	563	187

Each Campus will determine the rating for each module based on the following table:

Performance Rating	Rating System
Exemplary	90-100
Recognized	80-89
Acceptable	70-79
Unacceptable	Below 69

Each module is scored utilizing the following formula:

1. Add each column and enter the sum in the row.
2. Add the four sums and enter the total.
3. Each module will have the total amount of points that you can receive using the following formula: **Module formula: (Total points / Max Pts) X 100 = SCORE.**

Overall Rating * 2 Parts for Module 9**

The overall campus rating is determined by combining the nine module ratings. The module "District and Campus Compliance with Statutory Reporting and Policy Requirements" is a two part section: 1. Rate as the other modules: **Exemplary, Recognized, Acceptable, and Unacceptable.** 2. Indicate compliance by circling **YES** or **NO**.

The following table is used to determine the overall campus rating:

Campus Performance Rating	Module Ratings
Exemplary	All modules are Acceptable or higher & 3 to 8 modules must be Exemplary
Recognized	All modules are Acceptable or higher & 3 to 8 modules must be Recognized or higher
Acceptable	8 to 9 modules must be Acceptable or higher
Unacceptable	3 or More Modules are Not Acceptable

SD 7.	School strategies are updated in a Technology plan and/or school plan to foster a digital learning environment	3	2	1	0
SD 8.	Wi-Fi access for students, faculty and parents around campus	3	2	1	0
SD 9.	Web filters for Internet safety in place (Implementation of iBoss, Firewalls and Antivirus)	3	2	1	0
SD 10.	Digital access for use of probes in science classes	3	2	1	0
SD 11.	Access to use of free open content storage (i.e: Google Drive)	3	2	1	0

3 - Curriculum and Instruction

C&I 12.	21st Century Classroom initiatives (i.e.; web tools, collaboration, Google Apps for Education, Robotics, Programming, Coding, Flipped Classrooms)	3	2	1	0
C&I 13.	CTE course availability related to digital learning (Robotics,)	3	2	1	0

C&I 14.	Online coursework available	3	2	1	0
C&I 15.	Participation in Project Share and/or Texas Virtual School Network (TxVSN)/ Students newscast	3	2	1	0

4 - Professional Development

PD 16.	Staff completing professional development using technology, online courses, etc.	3	2	1	0
PD 17.	Staff completing professional development with technology as a tool to assist student learning	3	2	1	0
PD 18.	Provide digital safety training and cyberbullying for students/teachers	3	2	1	0
PD 19.	Use of social media/other tools to deliver course content, instruction, tutoring, You Tube and/or Teacher Tube Channel	3	2	1	0

5 - Family and community involvement

FCI 20.	Student/family access to technology is available away from school	3	2	1	0
FCI 21.	Training available on cyberbullying for parents	3	2	1	0
FCI 22.	Use of social media for communication between teachers and parents (i.e: celebrating success through social media)	3	2	1	0

Total each Column: add up the numbers of each column and enter sum in each row to the right-

Scoring Rubric based from Module Score	Module Score = (Total points/ 66) X 100	TOTAL POINTS =
90-100= Exemplary	Total Points: Add the four sums above and enter the total to the right. (Max pts. are 84).	
80-89= Recognized		
70-79 = Acceptable		
Below 69 = Unacceptable		

Performance Rating for Digital Learning Environment: _____

Module – DISTRICT	Exemplary	Recognized	Acceptable	Unacceptable
DROPOUT PREVENTION STRATEGIES	Consistently: Uniformly, Seen from beginning to end, Highly Predictable, Seamless routines, Evidence of Most often to all	Typically: Completes half way, Omission of some components, Evidence of some	Occasionally: Sporadic, Random, Hardly ever, Moderately, Seldom, Evidence of few	Rarely: Practically nonexistent, Not Attempted, Never, Evidence of very little to none
	3 points	2 points	1 point	0 points

1 - Student Assessment

SA 1.	Review and analyze student discipline reports regarding reductions in students being removed from class (ISS/OSS/DAEP)	3	2	1	0
SA 2.	Review and analyze office referrals and student reflections to identify early warning discipline indicators	3	2	1	0
SA 3.	Climate surveys are given to students	3	2	1	0
SA 4.	Promote student attendance for summer school	3	2	1	0

2 - Service Design

SD 5.	Dropout prevention strategies to include statutory requirements are written into CIP's	3	2	1	0
SD 6.	Implementation of positive behavior systems with fidelity	3	2	1	0
SD 7.	Transportation program for students (homeless, foster care, etc.)	3			0
SD 8.	Homeless education initiatives (afterschool assistance, tutoring, basic needs, school supplies, etc.)	3	2	1	0
SD 9.	Attendance incentives for students with process and procedures in place i.e; Attendance Review Committee, & a Truancy Intervention Plan in place	3	2	1	0
SD 10.	TEA PRS/PEP (Pregnancy Related Services) are available if needed	3	2	1	0

3 - Curriculum and Instruction

C&I 11.	Migrant programs are geared to closing the academic gap	3	2	1	0
C&I 12.	Anti-bullying activities, programs, lessons, etc.	3	2	1	0
C&I 13.	Use of character education programs	3	2	1	0

C&I 14.	Online courses for HS credit (initial or credit recovery)/ Credit recovery Programs	3	2	1	0
C&I 15.	Master schedule (RTI classes, double blocking, Intervention classes)	3	2	1	0

4 - Professional Development

PD 16.	District English Literacy programs are promoted to family members through referrals	3	2	1	0
PD 17.	Availability of school counselors	3	2	1	0
PD 18.	Transition program to next level (Middle to High School to Post Secondary)	3	2	1	0
PD 19.	Utilize services provided by At-risk Counselor, Intervention Specialist and Social Worker	3	2	1	0

5 - Family and Community Involvement

FCI 20.	Existing extra / co-curricular activities availability including, student clubs and community organizations (sports, fishing, chess, language, boys and girls clubs, YMCA, etc.)	3	2	1	0
FCI 21.	Community sponsored-Mentoring / tutoring provided through community partnerships (Boys/Girls club, M/D F/S program, Nike Day, military, clubs and organizations)	3	2	1	0
FCI 22.	School sponsored-Mentorship programs within the school (Dad's night, PBIS Tier 2, character building programs, peer--to-peer, etc.)	3	2	1	0
FCI 23.	Representation of student body with one or more family members represented in PAC or PTO	3	2	1	0
FCI 24.	Prevention guest speakers promoting staying in school, dating violence and substance abuse prevention, bullying, internet safety, etc.	3	2	1	0
FCI 25.	Programs and initiatives geared to increasing communication with parents (parent portal, school messenger, etc.)	3	2	1	0

Total each Column: add up the numbers of each column and enter sum in each row to the right-

Scoring Rubric based from Module Score 90-100= Exemplary 80-89= Recognized 70-79 = Acceptable Below 69 = Unacceptable	Module Score = (Total points/ 75) X 100 Total Points: Add the four sums above and enter the total to the right. (Max pts. are 90).	TOTAL POINTS =

Performance Rating for Dropout Prevention Strategies: _____

Module – DISTRICT	Exemplary	Recognized	Acceptable	Unacceptable
EDUCATIONAL PROGRAMS FOR GT STUDENTS	Consistently: Uniformly, Seen from beginning to end, Highly Predictable, Seamless routines, Evidence of Most often to all	Typically: Completes half way, Omission of some components, Evidence of some	Occasionally: Sporadic, Random, Hardly ever, Moderately, Seldom, Evidence of few	Rarely: Practically nonexistent, Not Attempted, Never, Evidence of very little to none
	3 points	2 points	1 point	0 points

1 - Student Assessment

SA 1.	Demographics of GT students mirror that of the schools' demographics	3			0
----------	--	---	--	--	---

2 - Service Design

SD 2.	A student who is identified as GT is in at least one Pre-AP, AP or Dual Credit Course	3			0
SD 3.	Gifted Students are ensured opportunities to work together as a group, with other students, and independently during the school day throughout the entire school year	3	2	1	0
SD 4.	Out-of-school options are relevant to the students' strength and are provided (i.e. UIL, Science Club, etc.)	3	2	1	0

3 - Curriculum and Instruction

C&I 5.	A continuum of learning experiences is provided that leads to the development of advanced-level products and/or performances such as those provided through the Texas Performance Standards Project	3			0
C&I 6.	Provisions to improve services are included in the Campus Improvement Plan	3			0

4 - Professional Development

PD	All teachers who provide instruction and services that are part of the district's defined GT services have completed the 30 clock hours of professional development that includes the nature and needs of GT students, identification and assessment, and	3			0
----	---	---	--	--	---

7.	curriculum and instruction for GT students as well as their yearly 6-hour update				
PD	Administrators and counselors now have the authority for services decisions have completed their 6-hour update to include identification and screening and the nature and needs of gifted learners	3			0
9.	Teachers are provided with ongoing professional development opportunities related to Gifted and Talented Education	3	2	1	0

5 - Family and community involvement

FCI	Parent Involvement Opportunities are available	3	2	1	0
11.	Advanced Level Products are shared with family and community members	3			0

Total each Column: add up the numbers of each column and enter sum in each row to the right-

Scoring Rubric based from Module Score	Module Score = (Total points/ 33) X 100 Total Points: Add the four sums above and enter the total to the right. (Max pts. are 33).	TOTAL POINTS =
90-100= Exemplary		
80-89= Recognized		
70-79 = Acceptable		
Below 69 = Unacceptable		

Performance Rating for Educational Programs for Gifted and Talented Students: _____

Module – DISTRICT	Exemplary	Recognized	Acceptable	Unacceptable
COMPLIANT WITH STATUTORY REPORTING AND POLICY REQUIREMENTS	Consistently: Uniformly, Seen from beginning to end, Highly Predictable, Seamless routines, Evidence of Most often to all	Typically: Completes half way, Omission of some components, Evidence of some	Occasionally: Sporadic, Random, Hardly ever, Moderately, Seldom, Evidence of few	Rarely: Practically nonexistent, Not Attempted, Never, Evidence of very little to none
	3 points	2 points	1 point	0 points

1 - Student Assessment

SA 1.	TAIS (Texas Accountability Intervention System) process is in place following local and state requirements	3			0
SA 2.	Reporting related to FIRST Rating, PBMAS, PEIMS, transportation	3	2	1	0
SA 3.	Section 504/ RTI program process and trainings are effective, procedures are in place and being followed, documentation is compliant with local, state, and federal requirements: <ul style="list-style-type: none"> • Parent Consent for initial evaluation • Notice to parents of meeting • Notice of Parent & Student Rights • Parent input is requested or discussed during the meeting • Teacher referral report • Past report cards and current grade report • Completion of emergency card- (could be during Registration) • Completion of home language survey (could be during Registration) • Vision and hearing screen (from school nurse) • Attendance report • Evaluation report/Accommodation Plan / Testing/assessment information • Plan is reviewed 	3	2	1	0
SA	Process of determining current classroom and testing accommodations, and the	3	2	1	0

4.	documentation and notification of those accommodations have been presented to the required recipients (SPED, ELL, 504, RTI)				
SA 5.	LPAC process and trainings are effective including parent representatives. Documentation is compliant with local, state and federal requirement: *Parental Permission/denial signatures * Home Language Surveys *TELPAS assessment Data *Language Proficiency Progress Review	3	2	1	0
SA 6.	Special Education program process and trainings are effective. Procedures are being followed, and documentation is compliant with local, state, and federal requirement *Informed consent for initial assessment eligibility *Assessments/ diagnostic evaluations *Individual Education Program (i.e:) *Data collection *Admission, Review and Dismissal (ARD) meetings (Initial, Progress, or Re-evaluation ARD's)	3	2	1	0
SA 7.	Dyslexia Program is monitored in all campuses	3	2	1	0

2 - Service Design

SD 8.	District Improvement Plan is in place meeting statutory requirements	3			0
SD 9.	Compliance with state required safety plans within district	3	2	1	0
SD 10.	District participates in summer food programs and is compliant with state and federal nutrition requirements	3	2	1	0
SD 11.	All school board reporting items required from campuses meet local and state requirements: * Approval required for campus objectives. *Approval required for purchasing items of 10,000 or more *Quarterly reports –CIP's	3	2	1	0
SD 12.	Notification for Participation in free vaccination clinics or other health services within the district	3	2	1	0

3/4 - C&I and Professional Development

C&I 13.	TTESS appraisal and Learner Centered Appraisal process is in place, procedures and timelines are being followed and documentation is compliant with local, state, and federal requirements	3	2	1	0
PD 14.	Identified staff completed required Professional Development relevant to their jobs and based on campus/district need for all core subject areas. Are compliant with local, state, and federal requirements	3	2	1	0
PD 15.	Staff evaluations completed by district or campus deadline	3	2	1	0
PD 16.	Campus staff members are provided with required staff trainings as per local, state and federal requirements (i.e: Sexual harassment, Child Find, Suicide prevention, Blood-Borne Pathogen Modules)	3	2	1	0

5 - Family and community involvement

FCI 17.	Notice of required notices/postings to web site, letters or any communication device within a timely manner (ratings, etc.)	3	2	1	0
FCI 18.	Timely accountability notices are sent home with first report cards	3	2	1	0
FCI 19.	TEA-Notification "school report cards" are shared with parents	3	2	1	0
FCI 20.	Participation in free vaccination clinics or other health services with notifications to parents	3	2	1	0
