

Canutillo Independent School District

Canutillo Middle School

2018-2019 Campus Improvement Plan

Accountability Rating: Met Standard

Distinction Designations:

Academic Achievement in English Language Arts/Reading
Academic Achievement in Mathematics
Academic Achievement in Science
Academic Achievement in Social Studies
Top 25 Percent: Comparative Closing the Gaps
Postsecondary Readiness

Board Approval Date: September 25, 2018

Mission Statement

The faculty and staff of Canutillo Middle School will empower students to be the motivational force behind their own future success by modeling citizenship, leadership, and a desire for lifelong learning.

Vision

A culture of academic excellence built on collaborative leadership and innovative instruction at Canutillo Middle School will produce accomplished scholars and community leaders able to meet future challenges of an evolving global society.

Core Beliefs

Culture of Excellence

Student Centered

High Expectations

Overall, we as a campus have increased in enrollment, in areas of LEP, SPED and AT risk. SPED increased the most due to the addition to two SPED units: ISC and LSC III. LEP, grade 6 for this current school year is much larger than previous grade 6 classes. Despite the increase in these areas, the campus works with ALL students to assist to exit student's to the mainstream. Areas that need improvement are more materials and resources accessible to the inclusion teacher to serve these students. Even though data shows success, the campus would like to make sure the student's needs are met with high quality instruction.

Demographics Strengths

As a middle school campus our enrollment has increased each year.

There has been an increase in enrolling for STEAM opportunities.

Despite increase in subgroups as a campus we include all and assist to exit students from the following: LEP, SPED, At risk to increase mainstream population.

Problem Statements Identifying Demographics Needs

Problem Statement 1: Increase in enrollment; increase in special populations **Root Cause:** Boundary line restructuring

Problem Statement 2: Teachers are not prepared to effectively teach STEM/STEAM strategies **Root Cause:** Lack of teacher training and staff development

Student Academic Achievement

Student Academic Achievement Summary

Overall, CMS is trending in the positive direction with PBL and STEAM. STAAR data within the last 3 years has shown positive trends for grade 6-8 Math and grade 7 Writing. Grade 8 Science and grade 6-8 Reading has been stable with little or no growth. The positive trends can be attributed to the following: Response to Intervention(RtI) program has seen strong results in tested subjects and overall, SPED and LEP populations saw a positive increase in tested subjects; Strong teacher collaboration across the campus; Writing interventions with the 11-minute essay, UTEP workshops; and alignment within Math, ELAR, and Science departments when it comes to planning and lesson delivery. CMS will continue to focus on reaching high mastery levels and in our special populations.

Student Academic Achievement Strengths

Response to Intervention(RtI) program has seen strong results in tested subjects. As a result SPED and LEP populations saw a positive increase in tested subjects.

Math and ELAR interventions within Mentoring Minds program have seen positive results.

Strong teacher collaboration across the campus.

Writing interventions with the 11-minute essay, UTEP workshops

Project Based Learning across contents

Alignment within Math, ELAR, and Science departments when it comes to planning and lesson delivery.

Problem Statements Identifying Student Academic Achievement Needs

Problem Statement 1: ELL student population continue to struggle on STAAR/TELPAS in reading, writing, and oral fluency **Root Cause:** Continual academic gaps developed from elementary school and 6th grade

Problem Statement 2: Teachers struggle with differentiation of instruction for ELL, SPED, and GT students. **Root Cause:** Lack of teacher training and staff development

School Processes & Programs

School Processes & Programs Summary

As a campus, Canutillo Middle School has continued to provide all learners with a rigorous 21st century learning experience by integrating Science, Technology, Engineering, Arts, and Math (STEAM) into a hands-on learning approach. At CMS the faculty and staff are preparing students to be successful in the real world by implementing STEAM initiatives which supports the instructional program where students apply their learning to real-world contexts within the framework of Project/Problem-Based Learning (PBL) experience. Project Based Learning is a common practice across all contents and has proven to have a positive effect on student content knowledge and the development of skills such as collaboration, critical thinking, and problem solving. Writing across ALL contents could be seen on a daily basis at CMS through quick writes, journal writing, note taking, research projects, and real world writing. Finally, in order to reach all our students, the Response to Intervention(RtI) program has seen strong results in tested subjects by having a team of faculty members come together every 9-weeks to review student data and determine best practices to improve student learning. As a result of implementation our SPED and LEP populations have had positive increase in tested subjects. CMS is building momentum in the right direction with many campus initiatives in order to boost student performance. We continue to grow and develop new methods of teaching to reach all our students.

School Processes & Programs Strengths

- STEAM academy initiatives which supports the instructional program where students apply their learning to real-world contexts within the framework of Project/Problem-Based Learning (PBL) experiences.
- Writing across ALL contents through quick writes, journal writing, note taking, research projects, and real world writing has contributed to student growth
- Project Based Learning across contents has had a positive effect on student content knowledge and the development of skills such as collaboration, critical thinking, and problem solving
- Response to Intervention(RtI) program has seen strong results in tested subjects. As a result SPED and LEP populations saw a positive increase in tested subjects.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: STEAM (PLTW) program lacks materials/resources **Root Cause:** Program is very expensive and materials need to be purchased

Problem Statement 2: Science department needs STEM Scopes to further accelerated instruction, project based learning and classroom interventions. **Root Cause:** Students and teachers do not have sufficient technology to provide high-quality differentiation Science education

Problem Statement 3: ELAR and Social Studies departments need Chromebooks **Root Cause:** Departments need access to their own chromebooks to futher PBLs in classrooms.

Problem Statement 4: Students struggle with nonfiction texts on state assessments **Root Cause:** ELAR department lacks nonfiction books/class sets

Perceptions

Perceptions Summary

Overall, Canutillo Middle School is moving in the right direction as it continues to build a strong campus culture. The strength at CMS lies in the fidelity of the PBIS committee, a strong partnership with the Parent Teacher Organization (PTO), building leadership capacity with the 6th graders, and a strong counseling department. The PBIS committee is very involved in creating a positive culture at CMS. PBIS is involved with various incentives across the school such as, students are recognized for show good character, GRIT, grades, behavior and other qualities by teachers. Those students are then referred to the principal for a positive referral. The Parent Teacher Organization is the backbone of the campus. This organization provides students with various opportunities to be successful. The PTO provides incentives and rewards for the students at various times in the school year. They are also very involved in working with our teachers and staff at various capacities on a daily basis such as decorating the hallways with student work and help monitor the school whether its during transition or at the end of day with traffic and cross guard duty. Our 6th graders are not bystanders by any means. They are not waiting to become 7th graders to participate in sports and other activities. This grade level has high participation in Attendance, Academic UIL events, OKEs, STUCO, and NJHS. Finally, the counseling department makes a direct point of contact with every single disciplinary ISS referral. Counseling is provided to all students who are referred to ISS and/or DAEP. Counseling is provided at various times to bridge our students's understanding of their choices. Besides disciplinary involvement, our counselor is very proactive in reaching our students at various times such as taking the lead to educate our students with bullying. It takes a village to run CMS and there's an incredible one here.

Perceptions Strengths

-PBIS: This committee is very involved in creating a positive culture at CMS. PBIS is involved with various incentives across the school such as, students are recognized for show good character, GRIT, grades, behavior and other qualities by teachers. Those students are then referred to the principal for a positive referral.

-Attendance: CMS is very competitive with attendance. Overall, students are coming to school almost at a 97% rate.

-Parent Teacher Organization/Parent Liason: Parents are the backbone to the campus. This organization provides students with various opportunities to be successful. PTO provides incentives and rewards for the students at various times. They are also very involved in working with our teachers and staff at various capacities on a daily basis.

-6th grade involmnet: 6th graders are not bystanders as they are not waiting to become 7th graders to participate. Grade level has high involvement in UIL, OKEs, STUCO, NJHS...

-Counselor Involvement: Counselor makes a point of contact with every single ISS referral. Counseling is provided to all students who are referred to ISS. Besides disciplinary involvement, our counselor is very proactive in reaching our students at various times such as taking the lead to educate our students

with bullying.

-DAEP Transition: Students returning from DAEP are transitioned back into the regular setting by having strong support from counselor. Students are provided with a couple of days to transition into the mainstream setting at CMS.

Problem Statements Identifying Perceptions Needs

Problem Statement 1: The community needs to be more informed with what is happening at the school good and bad. Our website needs to be updated and more accessible for the community. **Root Cause:** Parents are not aware of what is happening at the campus level. CMS needs to provide various opportunities to reach families such as sending newsletters , updating website, using social media often, and expand the reach by using the application called Remind to registration process to reach parents.

Problem Statement 2: Increase PTO involvement. **Root Cause:** PTO needs to grow in numbers. Male presence also needs to increase to provide support for our male students.

Problem Statement 3: CMS needs to build a better foundation for incoming 6th grade students and parents. **Root Cause:** Provide a thorough orientation for incoming 6th grade students and parents. Provide tours to parents and explain in detail the academic and behavior expectations.

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus goals
- Current and/or prior year(s) campus and/or district improvement plans
- Campus and/or district planning and decision making committee(s) meeting data
- State and federal planning requirements

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Domain 1 - Student Achievement
- Domain 2 - Student Progress
- Domain 3 - Closing the Gaps
- System Safeguards and Texas Accountability Intervention System (TAIS) data
- Federal Report Card Data
- PBMAS data

Student Data: Assessments

- State and federally required assessment information (e.g. curriculum, eligibility, format, standards, accommodations, TEA information)
- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR EL Progress Measure data
- Texas English Language Proficiency Assessment System (TELPAS) results
- Student Success Initiative (SSI) data for Grades 5 and 8
- SSI: Istation Indicators of Progress (ISIP) accelerated reading assessment data for Grades 3-5 (TEA approved statewide license)
- SSI: Think Through Math assessment data for Grades 3-8 and Algebra I (TEA approved statewide license)
- Local benchmark or common assessments data
- Student failure and/or retention rates
- Running Records results
- Observation Survey results

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress for each group
- Special Programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically Disadvantaged / Non-economically disadvantaged performance, progress, and participation data,

- Male / Female performance, progress, and participation data
- Special education population, including performance, discipline, progress, and participation data
- Migrant population, including performance, progress, discipline, attendance, and mobility
- At-Risk population, including performance, progress, discipline, attendance, and mobility
- EL or LEP data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender, etc.
- Career and Technical Education (CTE) data, including academic achievement, progress, program growth, race, ethnicity, gender, etc.
- Section 504 data
- Homeless data
- Gifted and talented data
- Response to Intervention (RtI) student achievement data
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Completion rates and/or graduation rates data
- Annual dropout rate data
- Attendance data
- Discipline records
- Class size averages by grade and subject
- School safety data

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- State certified and high quality staff data
- Campus department and/or faculty meeting discussions and data
- T-TESS

Parent/Community Data

- Parent surveys and/or other feedback
- Parent Involvement Rate
- Community surveys and/or other feedback

Support Systems and Other Data

- Organizational structure data
- Communications data
- Budgets/entitlements and expenditures data
- Study of best practices

Goals

Revised/Approved: September 25, 2018

Goal 1: Provide a Safe and Secure Environment

Performance Objective 1: Canutillo Middle School will provide 4 school-wide programs and/or presentations to promote the development of positive character within a safe and secure environment during the 2018-19 school year.

Evaluation Data Source(s) 1: List of Programs

Summative Evaluation 1:

Strategy Description	ELEMENTS	Monitor	Strategy's Expected Result/Impact	Reviews			
				Formative			Summative
				Nov	Jan	Mar	June
1) Provide presentations and training to include -No Place for Hate Program -Anti Gang Presentation -Drug & Alcohol Awareness -Character Development Presentation -Local Law Enforcement Agencies Presentation and Cyber Bullying		Counselors, SRO, PBIS Committee	Reduced amount of Referrals, off campus DAEP placements, Verified incidents of bullying after investigation.				
<p>Critical Success Factors CSF 6</p> 2) Provide a campus wide Positive Behavior Interventions and Supports program to include Universal Expectations and reflections. Core Values: Safety, Respect, Responsibility		PBIS Committee, Principal, Assistant Principal	Students recognized for positive behavior. Reduced referrals, increase instructional time, improve positive student-adult relationships. Improve parental involvement.				
<div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;">  = Accomplished </div> <div style="text-align: center;">  = Continue/Modify </div> <div style="text-align: center;">  = No Progress </div> <div style="text-align: center;">  = Discontinue </div> </div>							

Goal 1: Provide a Safe and Secure Environment

Performance Objective 2: In the 2018-19 school year, Canutillo Middle School will reinforce emergency action plans monthly with all faculty, while practicing routine emergency drills to effectively execute the Emergency Operations Plan.

Evaluation Data Source(s) 2: Schedule of emergency drills throughout the year

Summative Evaluation 2:

Strategy Description	ELEMENTS	Monitor	Strategy's Expected Result/Impact	Reviews			
				Formative			Summative
				Nov	Jan	Mar	June
1) School will conduct unannounced fire drills once a month. Every semester the school will conduct a lock down drill with the assistance of local law enforcement.		Principal, Assistant Principal, Nurse, and Counselors	Monitor the time the school is evacuated by comparing times every month. The goal is to reduce the time to under 5 minutes. The school will practice each month and debrief on troubled areas, so next month's drill will be better. This process will help ensure that the school is prepared for any emergency.				
<div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;">  <p>= Accomplished</p> </div> <div style="text-align: center;">  <p>= Continue/Modify</p> </div> <div style="text-align: center;">  <p>= No Progress</p> </div> <div style="text-align: center;">  <p>= Discontinue</p> </div> </div>							

Goal 2: Increase Student Academic Achievement

Performance Objective 1: CMS needs to improve in all tested subject areas by 3% with heavy focus on writing (57% to 60%), increase progress measures for ELL (53%-56%) and SPED (5%-8%). EL students will improve a rating by 3% on speaking, listening, writing.

Evaluation Data Source(s) 1: STAAR and TELPAS results

Summative Evaluation 1:

Strategy Description	ELEMENTS	Monitor	Strategy's Expected Result/Impact	Reviews			
				Formative			Summative
				Nov	Jan	Mar	June
<p>Critical Success Factors CSF 1 CSF 3 CSF 4</p> <p>1) Follow the non-negotiable (YAG-OMATIC, YAG, VAD, IFD, common assessments) of the Canutillo Independent School District curriculum for grades 6-8 in order to ensure vertical and horizontal alignment.</p>	2.4, 2.5, 2.6	Principal, Assistant Principal, Department Heads, Teachers	Teachers using PLC time to discuss common assessments, share and review data from eduphoria and TEKS resource center.				
<p>Critical Success Factors CSF 1 CSF 2 CSF 3</p> <p>2) Administer common assessments and STAAR-like mock tests and analyze data and results. Disaggregate data for all accountability populations to identify performance gaps and meeting annual standards as designated for all state and federal programs.</p>	2.4, 2.5, 2.6	Principal, Assistant Principal, Department Heads, Teachers	Teachers using PLC time to discuss common assessments, share and review data from eduphoria and TEKS resource center. Use STARR release tests to evaluate student growth.				
Problem Statements: Student Achievement 1, 5 - Student Academic Achievement 1, 2							
<p>Critical Success Factors CSF 1</p> <p>3) Provide tutorials in all tested subject areas before school, during the school day, after school, Saturdays, and Summer School.</p>	2.5, 2.6	All Core teachers, instructional Coach, counselors	Students will be evaluated every three weeks to measure academic growth. Teacher will identify interventions provided for all students. Counselors will meet with students every 6 weeks to monitor progress.				
Funding Sources: 185-State Compensatory Education - 0.00							
<p>Critical Success Factors CSF 1</p> <p>4) Comply with Response to Intervention and RTI Team requirements to develop a comprehensive plan for students at-risk of failing any tested subjects and/or STAAR tests.</p>	2.4, 2.6	All Core teachers, instructional Coach, counselors	Students will be evaluated every three weeks to measure academic growth. Teacher will identify interventions provided for all students. Counselors will meet with students every 6 weeks to monitor progress.				

= Accomplished

= Continue/Modify

= No Progress

= Discontinue

Performance Objective 1 Problem Statements:

Student Achievement
Problem Statement 1: Social Studies decreased by 9% and has not seen any positive growth in the past 3 years. Root Cause 1: Staffing was an issue with tested grade level
Problem Statement 5: Teachers need appropriate PBL training and time to truly plan Root Cause 5: Some departments need more training in PBL
Student Academic Achievement
Problem Statement 1: ELL student population continue to struggle on STAAR/TELPAS in reading, writing, and oral fluency Root Cause 1: Continual academic gaps developed from elementary school and 6th grade
Problem Statement 2: Teachers struggle with differentiation of instruction for ELL, SPED, and GT students. Root Cause 2: Lack of teacher training and staff development

Goal 2: Increase Student Academic Achievement

Performance Objective 2: The percentage of students who reach Masters level will increase in Reading all grade levels by 5%: 2019 STAAR Results 6th (22%-27%) 7th Reading (18%-23%), 8th reading (22%-27%) on the 2019 STAAR test.

Evaluation Data Source(s) 2: STAAR results

Summative Evaluation 2:

Strategy Description	ELEMENTS	Monitor	Strategy's Expected Result/Impact	Reviews			
				Formative			Summative
				Nov	Jan	Mar	June
<p>Critical Success Factors CSF 2 CSF 4</p> <p>1) Review current data with RTI Team to develop a comprehensive plan for students who are identified as high achieving per any tested subjects and/or STAAR tests. Those students will be placed in enrichment classes called Mentoring Minds based on their area of strength(s). Teachers will use Project Based Learning to challenge students to use higher critical thinking skills.</p>	2.5	Principal, Assistant Principal, Counselors, Instructional Coach, and RTI team.	Students will be evaluated every three weeks to measure academic growth. Teacher will identify high performing students and provide instruction that tends to the complex needs of high achieving students by their high-ability students. Teachers will use PBLs to help move students from Meets to Mastery levels or stay in Mastery level.				
<div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;">  <p>= Accomplished</p> </div> <div style="text-align: center;">  <p>= Continue/Modify</p> </div> <div style="text-align: center;">  <p>= No Progress</p> </div> <div style="text-align: center;">  <p>= Discontinue</p> </div> </div>							

Goal 2: Increase Student Academic Achievement

Performance Objective 3: CMS students will increase by 5% on mastery level in Advanced Academics on the 2019 STAAR test as reported in late spring that corresponds to their area of identified giftedness.

Evaluation Data Source(s) 3: STAAR results

Summative Evaluation 3:

Strategy Description	ELEMENTS	Monitor	Strategy's Expected Result/Impact	Reviews			
				Formative			Summative
				Nov	Jan	Mar	June
<p>Critical Success Factors CSF 1 CSF 2 CSF 4</p> <p>1) Ensure that one teacher from each core subject attend summer Pre-AP institutes to teach Pre-AP strategies and Pre-AP classes</p>	2.4, 2.5	Principal, Assistant Principal, Instructional Coach, Department Head, Teachers	Teachers submit certificates of completion. Instructional Coach will monitor opportunities for Staff development.				
<p>Critical Success Factors CSF 1</p> <p>2) Monitor all GT students on the STAAR-like Mock test and common assessments</p>	2.4	Principal, Assistant Principal, Instructional Coach, Department Head, Teachers	GT services, Eduphoria data, District common assessment data, class room progress measurement.				
<p>3) Increase teacher awareness of all advanced academics students' areas of giftedness.</p>	2.4	Principal, Assistant Principal, Instructional Coach, Counselors, GT Services	Increase the amount of students who enroll in GT courses, PAP and AP courses.				
<p>Critical Success Factors CSF 4</p> <p>4) Track progress of AA students to insure academic success.</p>	2.4	Principal, Assistant Principal, Instructional Coach, Counselors, GT Services	Review ACT ASPIRE scores for college readiness indicators. Review grades, district common assessments, and state assessments.				
<div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;"> <p>= Accomplished</p> </div> <div style="text-align: center;"> <p>= Continue/Modify</p> </div> <div style="text-align: center;"> <p>= No Progress</p> </div> <div style="text-align: center;"> <p>= Discontinue</p> </div> </div>							

Goal 2: Increase Student Academic Achievement

Performance Objective 4: In the 2018-19 school year, the gaps in STAAR performance between the at risk and non at risk students will be no more than 5 percentage points in all tested subject areas to be reported in late Spring, 2019 (Campus 53% at risk %).

Evaluation Data Source(s) 4: STAAR results

Summative Evaluation 4:

Strategy Description	ELEMENTS	Monitor	Strategy's Expected Result/Impact	Reviews			
				Formative			Summative
				Nov	Jan	Mar	June
1) Provide extended year program services for students at-risk of being retained in grades 6-8.	2.5, 2.6	Principal, Assistant Principal, Instructional Coach, Counselors	Reduce the amount of students attending summer school and State Assessment retakes.				
2) Monitor progress of at-risk students to ensure academic success in all subjects.	2.5, 2.6	Principal, Assistant Principal, Instructional Coach, Counselors	Reduce the amount of students attending summer school and State Assessment retakes.				
	Problem Statements: Student Academic Achievement 1 Funding Sources: 185-State Compensatory Education - 0.00						
3) Provide tutorials to at-risk students before school, during school day, after school and Saturdays to include transportation.	2.5, 2.6	Instructional Coach, Teachers, paraprofessionals.	Sign-In sheets, Tutoring Logs, Tutoring profiles.				

Performance Objective 4 Problem Statements:

Student Academic Achievement
Problem Statement 1: ELL student population continue to struggle on STAAR/TELPAS in reading, writing, and oral fluency Root Cause 1: Continual academic gaps developed from elementary school and 6th grade

Goal 2: Increase Student Academic Achievement

Performance Objective 5: By the end of the 2018-19 school year, 100% of CMS teachers and instructional assistants will be trained as needed to assist them in providing instructional strategies focused on Economically Disadvantaged, At-Risk, English Language Learners and Special Education sub-populations necessary to meet the State Accountability standards at all PLC's and campus staff development.

Evaluation Data Source(s) 5: Sign in sheets/ Agendas/ lists of training and PLC sessions

Summative Evaluation 5:

Strategy Description	ELEMENTS	Monitor	Strategy's Expected Result/Impact	Reviews			
				Formative			Summative
				Nov	Jan	Mar	June
1) Provide training on the participation criteria for the Online STAAR to committee members of the ARD, LPAC, Student Study Team and 504.		Assistant Principal and Instructional Coach.	Sign in sheets and completion of certification for all trainings and staff development.				
2) Provide support to teachers to ensure all needed testing accommodations are routinely incorporated in students' regular instruction.		Assistant Principal and Instructional Coach.	Lesson Plans, IEP's, Modifications present in teachers binders.				
3) Provide research based professional development in the both the content area and instructional strategies for teachers who have students in Special Education, Inclusion, ELL and At-Risk.	2.4, 2.5	Principal, Assistant Principal Instructional Coach.	Teachers will be encouraged to attend training(s) that provide intensive writing strategies, so they may differentiate instruction for at risk students. Teachers are encouraged to engage students with scaffolded activities to make the writing a manageable and enjoyable learning experience. .				

Goal 2: Increase Student Academic Achievement

Performance Objective 6: At the beginning of the 2018-19 school year, CMS staff and Instructional Coach will monitor 100% of the students identified as needing Response To Intervention (RTI) and conduct follow-up meetings every 6 weeks to ensure student academic success.

Evaluation Data Source(s) 6: Scheduled RTI meetings throughout the year

Summative Evaluation 6:

Strategy Description	ELEMENTS	Monitor	Strategy's Expected Result/Impact	Reviews

				Nov	Jan	Mar	June
1) RTI focus for new comer 1-3 year in the US) students in language acquisition.	2.6	ELAR RTI Teacher, IC, RTI Committee members	Students will develop a better understanding of the English language by being placed in an RTI Language acquisition class every other day for the entire year.				
2) RTI focus for ELL students that have been coded ELL for more than 5 years (lifers).		RTI Teacher, RTI committee, LPAC committee	Students will develop reading and math comprehension skills, relearn skills they lack from previous grade levels, fliers academic strategies for completing tasks, assignments, and test taking.				
Problem Statements: Student Academic Achievement 1, 2							
PBMAS TEA Priorities Build a foundation of reading and math	2.6	RTI Teacher, RTI committee, LPAC committee	Students will develop missing academic skills necessary for classroom and STAAR success.				
3) ELL students struggling in Math or Reading will be placed in Mentoring Minds RTI class 35 minutes daily.							
Problem Statements: Student Academic Achievement 1							
4) Academic Tutor from ALS, Migrant, and CMS will be assigned to assist struggling students within their reading, math, science, and social studies classrooms.		IC, Classroom Teacher	Tutors will be present during first teach instruction and ensure that students understood concepts. Reteach missed concepts, assist with completion of tasks, chunk lesson etc.				
Problem Statements: Student Academic Achievement 1, 2							
							

Performance Objective 7 Problem Statements:

Student Academic Achievement
Problem Statement 1: ELL student population continue to struggle on STAAR/TELPAS in reading, writing, and oral fluency Root Cause 1: Continual academic gaps developed from elementary school and 6th grade

Problem Statement 2: Teachers struggle with differentiation of instruction for ELL, SPED, and GT students. **Root Cause 2:** Lack of teacher training and staff development

Goal 2: Increase Student Academic Achievement

Performance Objective 8: By the 2018-19 school year, the gaps in STAAR performance between ELL and non ELL students will be reduced by 15% percentage points in all tested subject areas to be reported in late Spring, 2019. (Gaps in reading of ELL to non ELL range from 20-48% based on grade level.)

Evaluation Data Source(s) 8: STAAR results
TAPR results

Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

School wide comprehensive needs assessment took place at different levels beginning with staff input regarding strengths and needs.

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders

All faculty members were involved in developing the CIP. Following the feedback from the faculty, CIC and leadership team reviewed the suggested changes and approved the minutes on various occasions to implement the most up to date plan that reflects the current needs of our students.

2.2: Regular monitoring and revision

We monitor and revise during our CIC meetigns every Wednesday of every month.

2.3: Available to parents and community in an understandable format and language

Location of CIP will be found in front office, parent liason's room, school website, instructional coach's room, and all flyers are done in english and spanish. Also, the CIP is available at parents request for parents. Parent liason schedules autmated call outs on a montly basis for any upcoming events in spanish and in english. She also provides information for parents on the school marquee and on a white board visable so when parents are dropping off their students they may view it. The school is also heavy promoting on social media like Facebook, Instagram, Twitter, and the school website. Finally, our parent liason conducts home visits for parents who are not able to make the meetings when offered.

2.4: Opportunities for all children to meet State standards

We monitor student progress through the use of evaluating student data based on assessments. Students are then placed in corresponding interventions or enrichments during the school day via Mentoring Minds (30 minutes everyday) and all our Math and Reading classes are double blocked.

2.5: Increased learning time and well-rounded education

As a campus, Canutillo Middle School has continued to provide all learners with a rigorous 21st century learning experience by integrating Science, Technology, Engineering, Arts, and Math (STEAM) into a hands-on learning approach. At CMS the faculty and staff are preparing students to be successful in the real world by implementing STEAM initiatives which supports the instructional program where students apply their learning to real-world contexts within the framework of Project/Problem-Based Learning (PBL) experience. Project Based Learning is a common practice across all contents and has proven to have a positive effect on student content knowledge and the development of skills such as collaboration, critical thinking, and problem solving. Writing

across ALL contents could be seen on a daily basis at CMS through quick writes, journal writing, note taking, research projects, and real world writing.

Finally, in order to reach all our students, the Response to Intervention(RtI) program has seen strong results in tested subjects by having a team of faculty members come together every 9-weeks to review student data and determine best practices to improve student learning. As a result of implementation our SPED and LEP populations have had positive increase in tested subjects. CMS is building momentum in the right direction with many campus initiatives in order to boost student performance. We continue to grow and develop new methods of teaching to reach all our students.

2.6: Address needs of all students, particularly at-risk

For students who have been identified as at-risk CMS is provides a very prescribed intervention instructional support system. Teachers are provided with professional development that address the following: Response to Intervention(RtI) program in tested subjects, Project Based Learning across ALL contents, Writing interventions with the 11-minute essay, Math and ELAR interventions within Mentoring Minds program and Region 19 workshops that address differentiation of instruction. All students coded at risk are properly coded and monitored at beginning of each school year. All 13 criteria is evaluated at the beginning of the school year to assure studnets are successfully identified and serviced. Students are placed accordingly if they qualify in an enrichment or intervention class during the instructional school day.

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

3.1: Develop and distribute Parent and Family Engagement Policy

Students, parents and faculty members have provided feedback to school administration based on a check list provided by the parent and student support department from the district. The parent liason plays a vital role in organizing these events as she promotes the events. Surveys are also conducted at each semester to valuable feedback to provide school officials. We are looking to engage parents in ongoing and meaningful communication about their child's student academic learning and other school activities ensuring that parents and families play an integral role in assisting their child's learning and becoming actively involved in their child's education through the support and partner of our teachers and staff.

3.2: Offer flexible number of parent involvement meetings

Canutillo Middle School offers Coffee with the Prinicipal at 9:00 am and 5:00 pm once a month on a designated date determined a few months in advanced.

This event is advertised on social media, website, flyers sent with students, posted on the monthly calendar sent home with students, and via a call out. Each meeting is offered in english and in spanish for any parent present.
