

# Advanced Academics Permission to Test

*Excellence Through Integrity and Innovation*

Student Name: \_\_\_\_\_ ID# \_\_\_\_\_, Date of Birth \_\_\_\_\_

In order to determine placement in Canutillo Independent School District's Advanced Academics Gifted and Talented Program, your son/daughter will need to be assessed using the NNAT2 (nonverbal intelligence test) and/or the Stanford Achievement Test.

In order to administer these tests, we need your permission. Please indicate if you give Canutillo Independent School District permission to test your son/daughter. Testing will take place this semester. \_\_\_\_\_

\_\_\_\_\_ Yes, I give my permission for assessment.

The language I would prefer my child to test in it: \_\_\_\_English \_\_\_\_Spanish

\_\_\_\_\_ No, I do not give my permission for assessment.

If you grant Canutillo Independent School District permission to administer the exams, you must ensure that your son/daughter gets a good night's sleep, is physically and mentally prepared, knows that he/she should ask questions of the test administrator if something is not clear, and understands the importance of doing his/her best on the tests.
